DISCONTINUED.—The postoffice at Al-
 pine Depot, Morgan county, has been dis-
 continued. Letters and papers now go to
 Berkeley Springs.

ACCESSION DAY.—Yesterday was ac-
 cession day, and was observed with
 appropriate religious services in the Catholic
 churches of this city.

SPAIN AND PORTUGAL.—The "Iberian Union"
 talked about in the Union of these two
 countries under one Government, under the
 King of Portugal.

POLICE COURT.—The only case before
 this Court yesterday morning was that
 of Jennie Dugan, charged with disorderly
 conduct. As the case was not an agree-
 ment, the Honor imposed a fine of
 one dollar, and, in default of
 payment, Jennie was sent to jail.

STOPPAGE OF THE WATER.—The Super-
 intendent of the Water Works will begin
 this morning about 7 o'clock to blow out
 the fire plugs, and as the water is likely to
 be thus temporarily rendered unfit for use,
 householders would do well to draw a
 good supply early this morning.

MISSIONARY MEETING.—The regular
 annual meeting of the Protestant Epis-
 copal Missionary Society in this Dis-
 trict, was held last evening in St. Mat-
 thew's church. Several addresses were
 delivered by members of the Council, in
 session here. Our engagements elsewhere
 prevented our attending the meeting, and
 a number of our friends were unable to
 attend.

BOAT RACE.—A well contested, and
 consequently an interesting, boat race
 came off in the river opposite Belair's,
 in evening of two sines. There were two
 entries, if that form of expression is per-
 missible in naming such an event, the
 "Enterprise" and "Elita." The latter was
 the victor. The amount of money at stake
 we did not hear.

TAKES TO MURDERVILLE.—Richard Ses-
 sion, of Marshall county, who was con-
 victed at the recent term of the U. S. District
 Court in this city, of selling whiskey with-
 out having obtained a Government license,
 and sentenced to six months' confinement
 in the jail of that county, was taken down
 there yesterday by Deputy Marshal Irwin.
 Session was also fined one thousand dol-
 lars for the same offense.

DIRECT FROM FREDERICK TO WHEEL-
 ing.—The Charleston Valley Railroad is
 now being built from this place to some
 point near Washington, Pa. A new
 and very easy route is proposed from
 Canonsburg, Pa., to Wheeling, by West
 Middletown, Pa., and Bethany, W. Va.
 The people all along the line are holding
 meetings proposing to give the "right of
 way," and money besides. Their claims
 are: fertile country, plenty of coal, timber,
 building stone, very many places of busi-
 ness, direct route and a willing people.—
Pittsburgh Gazette.

SETTLED.—Yesterday, George Miller,
 an employe in the Belmont Mills, lodged
 a complaint before Judge Cloman that
 William Flinn attacked him while at work
 Tuesday, took his clothes nearly off him,
 wanted to whip him, called him ugly
 names and made such demonstrations as
 caused him to fear his life would be taken.
 The warrant for Flinn's arrest was put in
 an officer's hands. He was shortly after-
 wards arrested and brought before Justice
 Cloman. Several witnesses were exam-
 ined and the charge pretty clearly
 established by the evidence. Flinn was
 required to give bail in the sum of
 one hundred dollars to keep the peace
 for six months, but this requirement was
 subsequently modified by taking his own
 recognizance, under pledge that he would
 not molest Miller in the future, and upon
 the further condition that he would pay
 the costs. This amounted to eight or nine
 dollars which Flinn did not succeed in
 raising when he left the Judge's office.
 Whether he was ultimately successful in
 the financial part of the transaction, this
 department knoweth not.

LIFE ASSOCIATION OF AMERICA.—This
 is the name of a new Life Insurance Com-
 pany organized for a few evenings since. It
 is a branch of an association at St. Louis,
 and has several new features which should
 commend it to the favor of our citizens.
 Full information as to rates and peculiar-
 ities can be obtained on application at the
 office in Bailey's building, on Market
 street. Maj. J. C. Alderson is the general
 manager of the new company, and the
 energy displayed by him in getting up
 the association is a pretty sure indication
 that it will prove a success under his
 management.

We attended to the office of elected
 at a trustees' meeting held last Monday
 evening.

Gov. W. E. Stevenson, Alonzo Loring,
 A. M. Adams, John T. Larkin, George W.
 Frazer, John H. Hovey, Thomas
 Hughes, W. H. Woodward, W. Thomas
 Morgan, J. O. John, A. W. Adams,
 Strong, John G. Muth, Robert B. Wood.
 The Board of Directors met Tuesday and
 proceeded to elect their officers, which re-
 sulted as follows: Alonzo Loring, Presi-
 dent; George W. Frazer, Vice Presi-
 dent; Samuel P. Hildreth, Treasurer; N.
 C. Arthur, Secretary; Dr. E. A. Hildreth,
 Medical Examiner; J. G. Barr, Attorney.

It will be seen that the names above
 given include some of the best business
 men in the city, and we need hardly as-
 sure our readers after publishing them
 that the affairs of the company have been
 committed to safe hands. Under their
 superintendence it could scarcely fail of
 success.

The largest and finest lot of Stereoscopic
 views ever brought to the city, have just
 been received by the Partridge Joint Stock
 Company. Call and see them.

BOARD OF EDUCATION.—A special meet-
 ing of the Board of Education was held in
 their chamber last evening, in the Grand
 Hotel. The President, George Adams, was
 present. Mr. Wilson was called to the
 chair. At roll call the following members
 answered: Messrs. Bickel, Cummins,
 Ewing, Hamilton, Harrison, Lamler,
 Pollock, Stewart, Scott and Todd.
 The minutes of the last two meetings
 were read, approved and signed.

The special order of the evening was
 announced to be the presentation of the
 securities offered by the several contract-
 ors for the construction of Union township
 school house.

Mr. B. P. Caldwell (in work), offered

 work); John Boring, Mr. Salisbury, (car-
 penter work); Messrs. A. Wilson and John
 Clator, Mr. Geo. Roberts, (painting and
 glazing); Samuel Farley, Mr. Kamm-
 (plastering); H. P. Caldwell, Trimble &
 Hornbrook, Jacob Hornbrook; Mr. Gun-
 ther, (stone work); Frank Coen, which
 were generally accepted by the Board.

On motion, the contractor for the stone
 work was required to have his plan of the
 work done by the 1st of July; brick
 work, 10th of September; carpenter work,
 10th of January; plastering, 1st of January;
 tile work, 15th of October; painting, 15th
 of January; glazing, 15th of October.

A form of contract to be signed by the
 several contractors was presented and
 adopted.

On motion, the Clerk was authorized to
 prepare contracts with penalties equal to
 the amount of the contractor's bids, to be
 signed by them.

On motion, the proposition of Mr. Yost,
 Architect, to furnish working drawings of
 Union township school house for one per
 cent on the cost of the building, was
 accepted.

On motion, Mr. Hamilton, Superintendent
 of the construction of Union town-
 ship school house, was relieved from so
 much of the resolution adopted at the last
 meeting of the Board, as required him to
 furnish the working drawings for said
 building.

On motion of Mr. Ewing, the Clerk of the
 Board was authorized to advertise in the
 city and one or more outside papers for
 furnishing the slate, putting it on, and
 the terra cotta work required in the
 construction of said building.

An invitation from Past Theodore No.
 4, G. A. M., to the Board and Public Schools
 to unite with the Past in the Decoration
 services next Monday, was read, and on
 motion was accepted.

The bill of Henry Gunther, amounting
 to \$425.85, for stone work in Washington
 township school house, was presented and
 referred to the Committee on Buildings
 and Real Estate for report.

The contract for furnishing cement to be
 used in the construction of Union town-
 ship school house, was awarded to
 Messrs. Metcalf & Bart.

On motion the Board adjourned.
